Since October 2005, the Operation Gift Cards' monthly visits have presented 4,250 Thank You Kits which contained \$85,000 in military department store gift certificates to our wounded. An additional \$41,000 in other gift certificates and special group product donations have been delivered to the Soldier Family Assistance Center, the Fisher Houses, the Malogne House, the Navy Lodge, the Red Cross, and the Bethesda Casualty Affairs Office, along with several thousands of dollars worth items on the "wish list" (listed on the right) for both the wounded troops and their families.

On the last visit, representatives from the Military Order of the Purple Heart (2 units), the Disabled American Veterans and the Veterans of Foreign Wars visited wounded soldiers and personally thanked them for their service to their country and for their sacrifice for freedom. Each patient was presented with 3 "Thank You" kits containing a custom-designed thank you card with a group picture of the sponsoring chapter or post, a \$20 gift certificate for the military store (\$60 total in gift certificates), and flyers about programs the sponsoring service organization has developed that may be of interest to the patients.

Operation Gift Cards was started jointly by the Military Order of the Purple Heart Shelton/Derby Chapter #1 and the Disabled American Veterans Stamford Chapter #13. Twenty-five other veterans units have joined Operation Gift Cards. The goal is to have a different group of veterans units collectively purchase each month between \$3,000 and \$4,000 in gift certificates in order to present all visited wounded patients in Walter Reed and Bethesda hospitals with at least three "Thank You" kits containing between \$60-\$120 in gift certificates.
