Since October 2005, Connecticut's Operation Gift Cards program has distributed 800 "Thank You" kits, including \$16,000 in PX (military store) gift certificates, to wounded and injured troops at Walter Reed and Bethesda Military Hospitals in Washington DC.

On the last visit, representatives from units of the Disabled American Veterans, the Military Order of the Purple Heart, the American Legion and the Veterans of Foreign Wars visited wounded soldiers and personally thanked them for their service to their country and for their sacrifice for freedom. Each soldier was presented with four "Thank You" kits (each from a different organization) containing a custom-designed thank you card with a group picture of the sponsoring chapter or post, a \$20 gift certificate for the military store (\$80 total in gift certificates), and flyers about programs the sponsoring service organization has developed that may be of interest to the patients. At least one "Thank You" kit was left for each of the other wounded or injured patients.

Operation Gift Cards was started jointly by the Military Order of the Purple Heart Ansonia/Derby/Shelton Chapter #1 and the Disabled American Veterans Stamford Chapter #13. MOPH Ch. #1 and DAV Ch. #13 are trying to enlist other Connecticut chapters and posts in veterans' service organizations (e.g. AL, DAV, MOPH, VFW, etc.) to join the program so it can continue for at least 12 months. The goal is to have a different group of chapters or posts each month purchase a total of \$2,000 in gift certificates in order to present all wounded inpatients in Walter Reed and Bethesda hospitals with a "Thank You" kit containing a \$20 gift certificate they could use in their PX.

To participate in Operation Gift Cards or for additional information contact either Al Meadows (203) 929-3357 (e-mail: al.meadows@snet.net) or Tim Kelly (203) 937-3420 (e-mail: kellytmthy@aol.com). Or read the OGC summary page or the OGC press releases (all can be downloaded from Web site: ctveterans.org). Operation Gift Cards will be an ongoing project; check our Web site (listed at top of page) for future events and our progress reports.
